KEY QUALIFICATIONS AND EXPERIENCE

Specialised motion designer and 3D generalist with broad experience in product visualisation, advertising and digital campaigns. I have a strong focus on the intersection of design and technical execution, with an inherent drive to bring visual identities to life. Through strategic use of motion and 3D, I always strive to steward brands in a way that maximises their commercial and communicative impact across every touchpoint.

WORK EXPERIENCE

Motion Designer – SDGI\TBWA (January 2020 – Present)

Producing photo, video and graphic content for a wide range of channels and brands (Head, Geia, Onna, The Viking Planet, Miljødata, Aquathor and more). Typical work includes motion graphics, explainer videos and product photography.
